Policy and Conduct at Public Meetings

The public is invited to speak on any item under discussion by the Council, after recognition by the presiding officer.

The speaker should stand, and for the record, give their name and address, and, if applicable, the person, firm or organization they represent. Comments should be limited to three (3) minutes unless approval by the presiding officer, and citizens requesting to speak shall limit themselves to matters of fact regarding the issue of concern.

Prepared statements are welcomed and should be given to the Clerk of the Council. Prepared statements that are also read, however, shall be deemed unduly repetitious. All prepared statements shall become part of the hearing record.

While the Town Council is in session, those in attendance must preserve order and decorum. A member shall not delay or interrupt the proceedings or the peace of the Council, nor disturb any member while speaking or refuse to obey the orders of the Council or its presiding officer.

Any person making personal, impertinent or slanderous remarks or who shall become boisterous or disruptive during the Council meeting shall be forthwith barred from further presentation to the Council by the presiding officer, unless permission to continue be granted by the presiding officer or a majority vote of the Council.

The Fairview Town Council reserves the right to amend these rules of procedure as deemed necessary.
